LETTER FROM THE DIRECTOR

Dear Public School Retiree:

The Employee Benefits Division has the responsibility of providing a health insurance plan to State and Public School Employees and retirees. This responsibility carries with it the need to make tough decisions. One such decision has been made for the 2004 plan year.

The State and Public School Health and Life Insurance Board has decided to change the health plan for Public School Employees from a fully-insured plan to a self-insured plan effective October 1, 2003. This decision was made for the following reasons:

- The public school employee's group is large enough to accept the risk
- Long term savings can be achieved from lower administrative costs and insurance margins
- Greater flexibility over benefit design and premium rates
- Easier administration for the school business officials

This decision is one that the Board has wanted to make for several years; however, this has not been possible until now.

What does this actually mean? Instead of you paying a premium to an insurance company, you are paying your premium into a bank account and claims are paid from that account. It means that the risk has shifted from the insurance carriers to the plan. A group your size is adequate to handle this shift.

As you know the pharmacy benefit has been self-funded for several years. This allows us to save on administrative fees and provide the best benefit possible for our members.

Sincerely,

A handwritten signature in cursive script that reads "Sharon Dickerson".

Sharon Dickerson

Executive Director, Employee Benefits Division

## **ARE THERE ANY PLAN CHANGES FOR THE UPCOMING PLAN YEAR?**

YES! And the changes are positive for you!

- The Public School Health Plan will be self-insured effective October 1, 2003. This means your premiums do not go to the insurance company, they go to the Employee Benefits Division for payment of claims. The plan pays the insurance companies an administrative fee for claims administration and the plan provides the money for claims payment. When a plan is self-insured, Arkansas State Law allows the plan sponsor to determine benefits.
- The Pre-Existing Condition Limitation has been removed.
- The travel expense benefit for recipients of organ transplants has been reinstated. This benefit allows up to \$10,000 lifetime maximum for travel and lodging of members who are required to travel outside the normal service area.
- Prescription Drug Benefits and Co-payments Remain the Same: \$10 Generic, \$25 Preferred/Formulary, and \$50 Non-Preferred/Non-Formulary Reminder: as of May 1, 2003, prescriptions ordered through the Pilot Mail Order program are subject to the same co-pay structure as retail prescriptions – three (3) co-pays for up to a 102 day supply. Also, you can now receive a three month supply of the same maintenance prescription drugs from your local pharmacy for the same three (3) co-pays.
- Female members of QualChoice plans are no longer required to designate a separate Ob/Gyn specialist as a second Primary Care Physician (PCP). Members can continue to go to an Ob/Gyn directly, without a PCP referral, as long as the Ob/Gyn is in the QualChoice network. This practice has been in place for some time in the Health Advantage network.
- The annual benefit for prosthetics has been increased to \$15,000.
- Effective October 1, 2003, the Employee Benefits Division will be the COBRA plan administer.

**NO INSURANCE CARRIER OR PLAN OPTION CHANGES.** SEE PAGES 11-14 FOR SUMMARY OF PLAN OPTIONS. FURTHER DETAILS ABOUT PLAN INCLUSIONS, LIMITATIONS AND EXCLUSIONS ARE CONTAINED IN THE SUMMARY PLAN DESCRIPTION (SPD) WHICH CAN BE OBTAINED FROM THE EMPLOYEE BENEFITS DIVISION.

**THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.**

**Introduction**

Employee Benefits Division (EBD) is responsible for managing health benefits for the State of Arkansas and the Public School Employees. As a group health plan, EBD is required to secure the privacy of protected health information. The Notice of Privacy Practices describes the types of information, its uses and disclosures and your rights regarding that information.

“Protected health information,” (PHI) means information that is individually identifiable and is protected by privacy regulations. For example, information regarding the health care treatment, payment or operations that can identify you or your dependents. This information is obtained from enrollment forms for health care coverage, surveys, healthcare claims, specialist referrals, your medical records and other sources. You might provide protected health information by telephone, fax, letter or e-mail. Other sources of protected health information include but are not limited to, healthcare providers, such as **insurance administrators, network providers, claims processors** (hereafter referred to as business partners or affiliates). **When used with health related information, any of the following would be considered protected health information:**

**Uses and disclosures for health care operations:** Your protected health information will be used and disclosed for plan operations including but not limited to underwriting, premium rating, auditing, and business planning. In order to ensure the privacy of your protected health information, EBD has developed privacy policies and procedures. During the normal course of business, EBD may share this information with its business partners or affiliates that have signed a contract specifying their compliance with EBD's privacy policies.

## **Disclosures of personal health information requiring authorization**

In all situations, other than outlined above, EBD will ask for your authorization to use or disclose your protected health information. EBD will use or disclose information in these circumstances pursuant to the specific purpose contained in your authorization.

- Usually, only the person to whom the protected health information pertains may make authorization.
- In some circumstances, authorization may be obtained from a person representing your interests (such as in the case where you may be incapacitated and unable to make an informed authorization) or in emergency situations where authorization would be impractical to obtain.
- Any 3<sup>rd</sup> party acting as your advocate (for example, a family member, your employer or your elected official) would require an authorization

## **Forms**

Forms may be obtained from EBD, Forms are:

- Authorization for Release of Information

# ***What Are My Plan Choices?***

## **WHAT ARE MY PLAN CHOICES?**

Please refer to the Summary Plan Descriptions, available from EBD, for more details. Also see maps in this section indicating in-network hospitals for each provider. Please refer to carrier websites or customer service centers for the most current provider information.

### **Health Maintenance Organization (HMO) offered by**

- \* QualChoice of Arkansas**

- \* Health Advantage**

Benefits are the same no matter which carrier is selected.

Participants must select an in-network Primary Care Physician (PCP) to oversee all care.

**Out of network physician visits or services are not covered.**

No deductibles to meet.

\$25 co pay for PCP visit

\$35 co pay for in-network Specialist visit

\$100 co pay for outpatient treatment or surgery with 20% co-insurance for lab work

Out of pocket maximums are \$1,500 per person or \$3,000 per family not including co pays. Some services such as lab work, home health visits, therapy sessions, etc. carry a 20% co-insurance. The out of pocket maximum is reached by the sum of those co-insurance amounts within the plan year. When the out of pocket maximum is reached, no further co-insurance amounts will be required that year. Co-pays will still be charged.

OR

**Point of Service (POS) plan offered by**

**\* QualChoice of Arkansas**

**\* Health Advantage**

Benefits are the same no matter which carrier is selected.

POS plan has the same benefit structure as HMO plan when in-network and PCP services are rendered (same co pay and out of pocket maximums listed in HMO description above).

Unlike the HMO plan, the POS plan allows out of network physician visits and hospital visits. Those services are subject to deductibles and 40% co-insurance similar to the PPO plan (described in the PPO section below).

\* Out of pocket limits are: In-network \$1,500 per person and \$3,000 per family; Out-of-network \$5,000 per person and \$10,000 per family.

OR

**Preferred Provider Organization (PPO) offered by**

**Blue Cross Blue Shield of Arkansas**

The PPO plan offers the greatest number of in-network physicians and hospitals but deductibles do apply before any benefits are paid:

\$500 individual deductible, \$1,000 per family -IN NETWORK

\$1,500 individual deductible, \$3,000 per family -OUT OF NETWORK

OUT OF POCKET LIMIT after deductible and co pays are:

In-network, \$3,000 per person and \$6,000 per family

Out-of-network, \$8,000 per person and \$16,000 per family

The majority of in-network services are covered at 80% by plan, 20% by member after deductible and co pays. Majority of out-of-network services are paid at 60% of health plan's maximum allowable, not 60% of billed charges. If provider does not accept maximum allowable, the member is responsible for the difference plus the remaining 40%.

# What does each plan cover?

## Summary of Most Frequently Used Services Pay Structure

Important Note: The only out-of-network services covered under the pure HMO plans are emergency services and insurance company authorized referrals. The Point of Service (POS) out-of-network reimbursement of the health plan to the provider is 60% of the health plan's approved charges, not of the provider or facility's billed charges. For a more detailed explanation of what each plan covers and what is excluded, please refer to that plan's Summary Plan Description booklet, available from EBD.

## Prescription Drug Program

Your prescription drug program is a stand-alone, self-insured plan, which is included with your group health insurance plan and administered by AdvancePCS. Benefits apply equally to all enrollees regardless of the health care plan you choose. New plan enrollees will automatically receive a prescription drug card that offers important savings on your prescribed medication.

The copays for up to a 34-day supply of medicine, the copayment structure is:

- \$10 for generic drugs
- \$25 for “formulary” brand-name drugs
- \$50 for “non-formulary” brand-name drugs

### 4th Tier Benefit

In addition to the Generic, Preferred Brand/Formulary, and Non-Formulary categories, Fourth Tier medications are now available at the plan’s discounted rate. Examples of Fourth Tier medications are weight loss medication, smoking cessation medication and treatments for hair loss. These types of prescriptions are typically not covered under traditional prescription plans. Our plan will not pay any portion of the prescription, but you will be able to purchase the medication at the same discount the plan pays to pharmacies in our network. You will be responsible for the entire cost of the drug at the discounted rate; you cannot get these prescriptions by paying a copay. Purchases must be made at in-network pharmacy using your Advance PCS ID card.

### Selecting a Pharmacy

There are thousands of participating pharmacies nation-wide and most of your local Arkansas pharmacies will honor your AdvancePCS prescription drug card. For more information about participating pharmacies, including pharmacies in other states, contact AdvancePCS Customer Service at 1-877-456-9586.

Should you find it necessary to fill prescriptions at a non-participating pharmacy, please use the following procedure:

- You must pay the entire cost of the prescription at the point of sale because the pharmacy does not recognize our co-pay structure.
- A paper claim must be completed and submitted to Advance PCS along with receipt from the purchase. That claim form can be obtained at the AdvancePCS website, <http://ar.advancerx.com>.
- AdvancePCS will reimburse you the difference between the contracted drug cost and the regular copay for that prescription (\$10, \$25, or \$50). NOTE: The contracted price and the retail price are usually different; you will be responsible for that difference. They will also deduct \$1.25 for processing.
- You will save money if you use a participating pharmacy whenever possible. A complete list is available at

<http://ar.advancerx.com> or by calling AdvancePCS customer service at 1-877-456-9586.

### Pilot Mail Order Pharmacy Program

A mail service prescription benefit is available. Most long-term medications are available through the mail order provider, AdvanceRX.com, including ostomy supplies, insulin and other diabetic supplies. Medications will be filled with a 90 day supply for the cost of 3 standard retail copays. For more information about the mail service benefit or for a complete list of excluded drugs, please call AdvancePCS at 1-877-456-9586 or visit their website,

<http://ar.advancerx.com>.

### Managing The Prescription Drug Program

Your prescription drug program is designed to provide the greatest benefit to the entire group of state and public school employees. This program requires: Prior Authorization (PA) of some medications, Quantity vs. Time (QVT) restrictions that are intended to clarify the usual quantity that constitutes a 34-day supply for

particular medications, and Daily Dose Edits in order to eliminate inappropriate utilizations of medications intended for one daily use. The Formulary (Preferred Drug List) is a dynamic entity that will change at least every three (3) months. As new drugs become available they may be added to the formulary and other drugs may be removed from the formulary as generic drugs become available. Drugs may also be removed from the formulary and replaced by other drugs deemed to be more appropriate for our membership. For more information contact AdvancePCS toll-free at 1-877-456-9586.

### **Generic Drugs**

The generic name of a drug is its chemical name. The brand name is the trade name under which the drug is advertised and sold. By law, generic and brand name drugs must meet the same standards for safety, purity, strength and effectiveness. When you and your doctor authorize generic substitution, it permits the pharmacy to dispense a generic drug. This saves you and your pharmacy program money. Whenever possible, ask your doctor to prescribe generic drugs.

### **Other Benefits Your Prescription Drug Program Provides**

Your prescription drug program offers other benefits for its members such as:

- Patient Support Program
- Disease State Management and its participating pharmacists
- “Specialty Rx” program to supply injectable medication and supplies (call 1-866-295-2779 for more information and to see if you or a family member qualifies).

**Diabetic supplies are available without a co-pay at your local pharmacy if diabetic medicine is purchased at the same time.**

### **AdvancePCS Web Site**

A custom AdvancePCS website is available for our members. The address is [www.ar.advancerx.com](http://www.ar.advancerx.com). The web site offers many features including interactive formulary listing, formulary updates, national pharmacy locator and other member-oriented features. Members can also obtain information on the mail order pharmacy program at this site.

### Frequently Asked Questions about Corphealth and StarEAP

#### **What is the difference between the StarEAP and Managed Care benefit?**

StarEAP is designed to help you resolve short term problems related to work, relationships, parenting, finances, school, elder care, etc. And does not require a referral from your primary care physician.

Managed Care is designed to address medically diagnosed mental health problems which require treatment for a period of 3 months or more. Treatment can include medication, psychiatric/psychological evaluation, individual, group or family therapy. You receive unlimited sessions, as long as they are medically necessary. There is a co-pay.

#### **Do I have a choice of providers?**

Yes. There are licensed clinicians (master's level, doctorate level and MDs) throughout the state and you can go to any provider in the Corphealth network, statewide. You can call Corphealth directly or go to their website [www.corphealth.com](http://www.corphealth.com) for a current list of providers.

**Note: If you require medical care for a mental health problem you must use a hospital in your medical plan's network.**

#### **Is my family eligible for mental health benefits?**

School employees are eligible for StarEAP benefits if enrolled. Family members can participate in couple or family sessions with the employee. Enrollees in the health plan and their enrolled dependents are eligible for managed care benefits.

#### **Will my employer know if I use StarEAP?**

Your use of the EAP benefit is strictly confidential. In order for information about your participation in the EAP to be released to anyone, you must sign an authorization to release information. Employers can refer you to the EAP if they feel it can be of help to you, if they are concerned about your work performance or if you have a drug free work policy and test positive for a drug screen. Employer referrals to the EAP may require your participation in the EAP, but again, **you must sign a release in order for your information to be shared with your employer.**

## **Public School Retirees Rate Information**

### **Medicare Part A and Part B**

Continuing the trend from last plan year, Public School Retirees eligible for Medicare (or Disability Medicare) with existing State medical coverage or, new Public School Retirees with Medicare Parts A and B will receive a lower premium rate on the medical coverage than Public School Retirees not on Medicare.

In order to obtain the lower premium rates, the following steps must be taken:

1. You must have Medicare Parts A and B health coverage.
2. All Public School Retirees and spouses, with Medicare Part A and B, must send a copy of their Medicare Card to the Employee Benefits Division by August 31, 2003.
3. If the Public School Retiree has Medicare A and B, but does not notify the Employee Benefits Division by the appointed date, correct deductions may not be made by the Retirement System for the October premium. After August 31<sup>st</sup>, if the Medicare information is received by the 15<sup>th</sup> of any following month, the lower retire premium will be deducted the first of the month following receipt of the information. If the Medicare information is received after the 15<sup>th</sup> of any month after August 2003, the lower retiree premium will not be deducted the following month, but the month after.
4. Retirees reaching Medicare eligibility after October 1, 2003, will be responsible for sending Employee Benefits Division a copy of their Medicare card indicating Parts A and B have been purchased. The reduced premium will be deducted the first of the month following the receipt of the Medicare effective date information.

NOTE: The general Medicare Open Enrollment period is from January through March each year for a July 1<sup>st</sup> effective date. Retirees without Medicare Part B should contact the Social Security Administration about obtaining Part B coverage at 1-800-772-1213. Medicare Part B premiums are monthly and may increase up to 10% for each 12 month period that you could have had Part B but did not sign up for it (there are some special exceptions).

## RETIREE ENROLLMENT FORM INSTRUCTIONS

The Public School Retiree Enrollment Form (#6000-f-1d) has been designed especially for use by retired public school employees. In the past, retirees have used the active employee enrollment form and tolerated sections of it that did not apply to them. We hope you find this new form to be useful and better suited to your needs.

NOTE: If you do not wish to change any aspect of your health coverage, you do not need to complete anything. Your insurance will stay the same with new rates effective October 1, 2003. Please see rate charts in this booklet.

**Please use the Public School Retirees Enrollment Form (#6000-f-1d) if you wish to move from one health plan or health carrier to another. If you want to drop dependents from your plan or add them because of a family status change, but still remain on the same health plan, please use the Change Form (#6000-f-2) also included in this booklet.**

**Enrollment and Change forms should be postmarked and sent to Employee Benefits Division by August 31, 2003. New enrollments and changes will be effective October 1, 2003.**

## CHANGE FORM INSTRUCTIONS

The **Change Form (#6000-f-2)** is used to make a change OTHER THAN changing to a different health plan or different carrier. The Change Form should be completed and submitted to the Employee Benefits Division for the following reasons:

- to add or delete dependents from health insurance plan during open enrollment or during the plan year according to Cafeteria plan (IRS Section 125) rules which may allow a change in coverage status, i.e. Employee Only, Employee & Spouse, etc.
- to indicate the reason for making a change such as birth of a child, marriage, etc.
- to change retiree's / employee's mailing address or name

**If the intent is to change health plans or health carriers, please use the *Public School Retiree Enrollment Form (#6000-f-1d)*.**

*PLEASE NOTE: Incomplete, illegible or otherwise unclear forms will be returned for correction and could possibly cause a delay in processing the change.*

The following instructions outline the process for completing the Change Form on the following page. (This is the same form currently used by Active Public School Employees, so disregard any reference to School Business Officials.) The instructions are organized to correspond with the numbered sections of the form. Only use the Change Form for the purpose of making the changes indicated by the bullet points above.

- 1. Employee Information (Retiree Information):** Please provide the demographic information requested.
  - If not previously provided, please print your email address if you would like benefit updates and information mailed to you as the need arises.
  - Primary Care Physician (PCP) information is only required for members of the HMO or POS plans. Do not list a PCP if you are enrolled in the PPO plan.
- 2. Change in Dependent Status:** If you want to add or delete a dependent from the plan, please provide complete information for each dependent.
  - Write over the gray words indicating where FIRST NAME, LAST NAME, MI (Middle Initial) and SEX are to be written.
  - Please provide Social Security Number of the dependent, date of birth and whether the intent is to ADD or DELETE them from the policy.
  - If dependents are being DELETED from the policy, it is not necessary to indicate Primary Care Physician (PCP), PCP# or Student Status. If you are ADDING a dependent, please complete all of those blanks.
  - If dependent(s) is/are age 19 or over, they must be a full-time student at an accredited institution to continue on the insurance. Please indicate whether they are a full time student and provide documentation to your chosen health insurance carrier. We have created a *Student Status Form (#6000-f-3)* for this purpose available on our website, [www.accessarkansas.org/dfa/ebd](http://www.accessarkansas.org/dfa/ebd) by clicking on the Benefits Library link.
  - If applicable, please submit court orders for guardianship, court ordered insurance coverage or adoption papers for dependents being adding to the policy.
  - Please attach additional sheets if it is necessary to add more dependents than space allows. You may either attach another copy of the same form or otherwise provide the information requested.

NOTE: We would appreciate you indicating which health plan you are enrolled in currently even if you are not making a change indicated by the boxes. Remember, this form is not to be used to CHANGE PLANS or CARRIERS. Taking the time to indicate your current plan will provide us a double check of your plan enrollment.
3. **To be completed by Agency or School District:** Retirees can skip this section.
4. **Employee Signature (Retiree Signature):** Sign and date the form on the lines provided. We suggest you make a copy of this form for your records. # ***But I have a question!***

## **FOR RETIREES - OR THOSE THINKING ABOUT RETIREMENT**

(Please note: The Employee Benefits Division (EBD) has produced an “Enrollment Guide for Public School Retirees” in addition to this one for active employees. You may obtain a copy from EBD.)

### **May I change my insurance plan if I retire after August 31, 2003?**

Plan changes can be made only at “open enrollment” unless you have a life changing event that qualifies you for a “special enrollment” (such as marriage, divorce, death of spouse, etc.).

### **What if I select COBRA rather than the retirement plan?**

If you select COBRA you must stay on COBRA your entire eligibility period to qualify for insurance through the Retirement Program. COBRA participants lose the life insurance benefit. This benefit will not be reinstated when you go to the retirement group. Your COBRA carrier will bill you monthly. If your COBRA benefits are terminated for non-payment or late-payment, you will not be eligible for insurance through the retirement program.

### **How will my retirement premiums be billed?**

Your premium will be automatically deducted from your retirement check every month. If your retirement check does not cover the premium cost, you will receive a monthly billing from your insurance carrier showing the amount due each month and the due date.

### **What if I have Medicare?**

As a retired insured, you are eligible to continue your public school medical insurance after Medicare begins. When Medicare commences, it will become your primary coverage and claims will be filed with Medicare first. Please check with the health plan you select to determine how it coordinates with Medicare. Also, please remember that Medicare coverage is very limited. Most of your prescription drugs will be covered by your state prescription drug program. Retirees eligible for Medicare must have both Part A and Part B. Please refer to the premium rate pages for Medicare Eligible and Non-Medicare Eligible Retirees for further cost.

## **COBRA PARTICIPANTS**

### **May I change plans if I go on COBRA?**

COBRA participants are eligible to change plans at “open enrollment.” You cannot change plans in mid-year.

### **Are the same benefits offered to COBRA participants as to active employees?**

COBRA participants have the same pharmacy and medical benefits as active and retired employees. Life insurance is not available to COBRA participants through this health plan. Contact USABLE Life for conversion options.

### **FOR RETIREES - OR THOSE THINKING ABOUT RETIREMENT**

(Please note: The Employee Benefits Division (EBD) has produced an “Enrollment Guide for Public School Retirees” in addition to this one for active employees. You may obtain a copy from EBD.)

The appeal will be reviewed by one of the plan's Physician Advisors who was not involved in the initial determination or the First Level of appeal; although such person(s) may be communicated with during the review process.

## Final Level Review

If the outcome of the Second Level Review is adverse to the member, he/she may appeal to the plan Administrator. Such appeal should be mailed to: Employee Benefits Division, Attention Appeals, State of Arkansas, Department of Finance and Administration, P.O.Box 15610, Little Rock, AR 72231-5610. 4. The Member understands that it will take the Company/Carrier at least thirty (30) days to notify its personnel about the termination of the Member's Authorized Representative and it is possible that the Company/Carrier may communicate information about the Member to the Authorized Representative during this 30-day period.
